THE REACH | NEWSLETTER RECORDER

1 November 2017 | ISSUE 03

HEAD OF SECONDARY MESSAGE

The last two weeks have been a fantastic mixture of activities around the school, from sports, to fundraising, to school trips, and successful assessment week. Students have had new and exciting opportunities both in and out of school, and this week's newsletter is a round up for parents.

A huge thank you to the Physical Education Department for organizing the FIFA roadshow. There was a fantastic atmosphere in school, especially among the

Secondary boys. Also, a huge thank you to Ms. Kelly and Ms. Cruzaine (our photography team) for capturing the best highlights of the day! Scroll down for photos. The school also had a very successful Pink Day, with cake sale raising over 1,000Dhs for Cancer charities.

Coming up later this term

To reward our secondary pupils there is a trip planned to Ferrari World. The students who have shown consistently good behavior since September and/or achieved over 60% in at least 5 exams or more will be eligible to go. This trip will recognize the pupils hard work and outstanding behavior over the past 2 months.

REMINDERS

Children must be at the school for morning assembly before 7:45 AM. School would appreciate support from parents in NOT taking your children out of school before 2:30 PM. Our next newsletter will be celebrating our top student attendance.

IMPORTANT DATES

Flag Day 2 November 2017
Parents Evening 8 November 2017
Prophet's Birthday 30 November 2017
National Day 2 December 2017

PINK DAY

We celebrated Pink Day on 26th October. Students and staff wore pink, and raised money for Breast Cancer charities. Thank you so much for your donations and cakes. We're counting now, but the total is over 5,000Dhs.

FIFA CLUB WORLD CUP 2017

The School had the pleasure of welcoming guests from the most well known sporting governing body in the whole world - FIFA (Federation of International Football Association) on Tuesday 24 Oct17. The roadshow is designed to promote the FIFA World Club Championships being held in Abu Dhabi from the 6th-16th December.

This involves clubs such as Real Madrid, Al Jazira, Auckland City and Pachuca. Throughout the day students had the opportunity for students from Year 6 to 8 to participate in the skill based roadshow. There were several stations set up to test students football skill level.
